does a bear shit in the woods - Wiktionary

At this time it's appropriate to respond with, "Does a bear sh*t in the woods?". This is assumed to be an obvious yes, because people think that all bears defecate in the woods. However, what most people don't understand, is that if you analyze the saying, you'll soon realize that not only is it an improper response (i.e. answering a question with a question.), but it also is a very unsure response at best.
