SVENSK STANDAR SS-EN 13445-2:2014+C4:2017

Years later in May 2002, the first issue of the European Standard EN 13445 Unfired Pressure Vessels was published. This standard was developed to accommodate vessels subject to the European pressure equipment directive. Over time, PD 5500 and EN 13445 became more competitive in designing lighter and more efficient vessels.
