This hartmut warm, as one of the most working sellers here will completely be accompanied by the best options to review.

You can browse the library by category (of which there are hundreds), by most popular (which means total download count), by latest (which means date of upload), or by random (which is a great way to find new material to read).

Hartmut Warm

Hartmut Warm managed to raise to a new level the former ideas of a harmony of the spheres, such as those represented by Pythagoras and Johannes Kepler, on the basis of modern astronomical methods. The harmony is found mainly in the long-term movement relationships of the planets. CD Music of the Planets

This video is inspired by "Signature of the celestial spheres", a book written by Hartmut Warm, on the musical/geometric order in the solar system. The ratios are that of the semi-minor axes of ...

The harmony of the spheres revealed

Hartmut Warm's detailed presentation incorporates the distances, velocities and periods of conjunction of the planets, as well as the rotations of the Sun, Moon and Venus. Numerous graphics - including colour plates - illustrate the extraordinary beauty of the geometrical forms that result when the movements of several planets are viewed in relation to one another.
