Cambridge IGCSE ICT (Third edition)
(Collins) This course provides an
engaging approach that uses scenarios
to build skills and link theory to the
practice of ICT, while showing students
how to make progress, help prepare for
their exams and achieve their targets.

Like any other IGCSE subject, ICT theory requires you to understand and learn the facts. There is no shortcut... you will have to REVISE! But, hopefully, these notes will help you to gain the understanding required. If you're trying to find out about a particular topic, rather than a syllabus section, try looking here:
