Welcome to AGCO Parts Books

I just purchased a new idea 402 side delivery rake. This rake is in pretty good shape from what I can tell. I paid \$250 at the guy will deliver to my farm. It is missing about 14 teeth which I have found online. I can buy 25 for \$50. The only problem I have is that the parts that attach the teeth to the bar are missing in those 14 spaces.
