There is a book put out by the IAEL called Plan Review. I highly recommend this book as a study guide as well as a reference guide for your personal library. Much of the information in this book you will use on the test. Also if you don't pass this the first time, be aware you are able to review the questions you missed.

ICC E3 Plan Examiners test | Mike Holt's Forum

emailjamiea@gmail.com said Don't rely on ICC's self study program for the plans examiner certification test. The test is based on the 2015 code. I opted to utilize a private study program and passed just fine. With that said, the questions are all common sense questions that come straight from the code book itself.
