Transnational Management focuses on the management challenges associated with developing strategies and managing the operations of companies whose activities stretch across national boundaries.

Transnational Management 6th edition (9780078137112 ...

Transnational organization is a term used in scholarly literature. It refers to international organizations (usually, international nongovernmental organizations) that "transcend" the idea of a nation-state.. The distinction between an international and a transnational organization is unclear and has been criticized by some scholars (ex. Colás, 2002). ...
