Find helpful customer reviews and review ratings for Orion 52098 StarShoot All-In-One Astrophotography Camera (Blue) ... with software constantly locking up during long exposures also seems to conflict with PHD guiding using the orion starshoot autoguider setup. Would not expect this since they are by the same manufacturer.

Amazon.com: Customer reviews: Orion 52098 StarShoot All-In ...

Hi Peter, Thankyou very much for your reply. I think that I will have to make the jump to a larger mount. I wont be in my backyard for the most part I don't think. I'm thinking that I'll get the HEQ5 and stick a larger scope on it down the track and buy a Star Adventurer when I'm a bit more experienced because I would like to take this to the northern hemisphere when I come up to ski (usually ...
